

The Li-Fraumeni Syndrome Association (LFSA) presents the 4<sup>th</sup> annual **Salute!** benefit dedicated to supporting the critical research required to raise awareness, provide support, and improve the health of patients. People diagnosed with Li-Fraumeni Syndrome (LFS) live with cancer or a potential cancer diagnosis every day of their lives, often beginning in childhood and frequently with multiple occurrences.

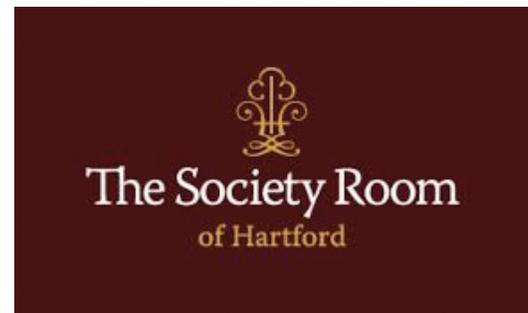

Your contribution to **Salute!** Hartford will help to ensure that funding will be available to continue the research necessary to improve and prolong the lives of LFS patients worldwide.

**When:** Saturday, October 27<sup>th</sup>, 2018

**Where:** The Society Room of Hartford  
31 Pratt St.  
Hartford, CT 06103

**What:** Wine & beer tasting, 1920s inspired heavy hors d'oeuvres and food stations & live music entertainment.

**How:** Attend, Sponsor or Donate to help us reach our fundraising goal.

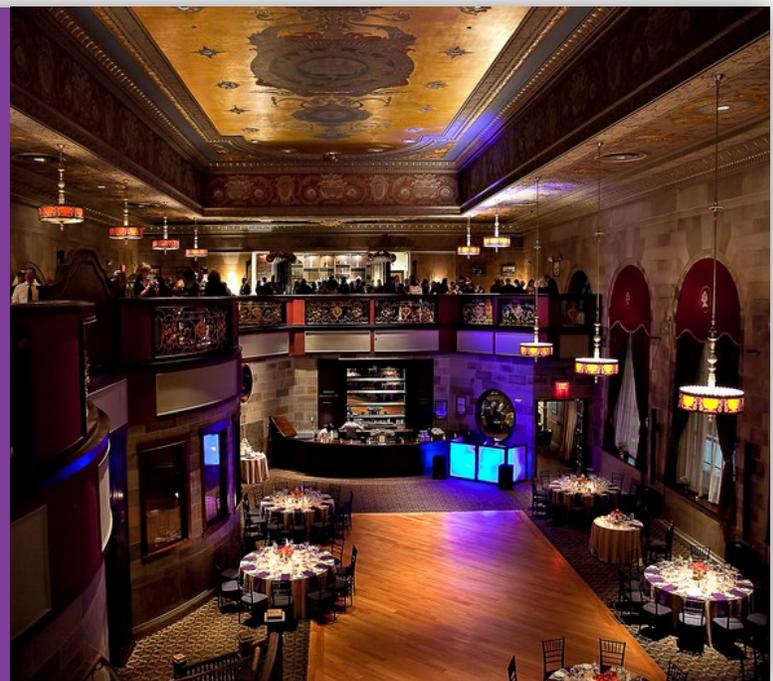

Join us for a special 1920s inspired **Salute!** to LFS patients!

Proceeds for this event will specifically help fund LFS cancer research initiatives such as the feasibility of detecting circulating tumor DNA in the blood, the development and interpretation of the only familial cancer database, the effectiveness of whole body MRIs for early cancer detection, the potential application of elephant cancer resistance for human cancer prevention, and much more!
