## Your Sponsorship Drives Hope

Tee up for a day that drives real impact. The Hunt Fore a Cure Golf Classic raises vital funds for families living with Li-Fraumeni syndrome (LFS), a condition that causes a predisposition to cancer affecting both children and adults. The Li-Fraumeni Syndrome Association (LFSA) provides resources, advocacy, and community, while bringing together researchers and clinicians to advance research and improve care for those affected by LFS.

Hunt Fore a Cure honors Cody Lesko, whose courageous battle with adrenal cortical carcinoma inspires his family's dedication to raising awareness and supporting LFSA's mission.

**Your sponsorship fuels this work – supporting families, research, and education. Join us at the Hunt Fore a Cure Golf Classic and make a difference.**
