

# Li Fraumeni Syndrome Family Education Day

We invite parents and families of children with Li-Fraumeni Syndrome to join us for a dedicated Family Education Day at Children's National Hospital, in partnership with the Li-Fraumeni Association.

## What to Expect:

- Presentations from Children's National physicians, researchers and care team members.
- Updates on current research, clinical care and future directions.
- Breakout sessions for smaller group conversations and peer connection.
- Opportunities to ask questions and engage directly with experts.

## Why Attend:

- Learn from experts dedicated to Li-Fraumeni Syndrome care and research.
- Gain practical knowledge and resources to support your child and family.
- Connect with other families in a supportive, understanding environment.
- Feel empowered with information, community, and hope for the future.

**Registration is required for attendance.**  
The deadline to register is April 11, 2026.

**For questions please contact:**
